

Kingswood Elementary School Curriculum Night/Open House Information

On **Wednesday September 28th from 6:30-7:30pm** we will be holding our Curriculum Night/Open House.

Parents/guardians and students are welcome to attend.

What is Curriculum Night?

It is an opportunity for parents/guardians to meet their child's teacher, see their child's classroom and to learn about what their child will be learning throughout the year.

Teachers will share information about class practices, methods of communication and the curriculum outcomes in each specific subject area.

Curriculum Night is not a Parent/Teacher meeting. If you want to talk to your child's teacher about your child's academic progress, you will need to make an appointment for another time.

Kingswood Elementary School Curriculum Night/Open House is typically very popular, and the parking lot and school fills up quickly. We are suggesting that families with surnames A-L attend from 6:30-7:00 and M-Z from 7:00-7:30pm. This is just a suggestion and families should come when they are available.

It is important that you follow all parking restrictions as people have been ticketed in the past.

We are looking forward to seeing you on Wednesday September 28 between 6:30-7:30pm.
