

Good Evening Kingswood Families,

School Cafeteria:

Our cafeteria is up and running! We are having a great first week of cafeteria service and have some important reminders to pass along.

Before ordering your child's lunch for the 2023-2024 school year, please ensure all student information in the online ordering system is up to date including their grade and classroom teacher's name. If a previous grade and teacher are saved in the student's profile, please update to avoid any mix ups with lunch delivery!

Chartwells is running our cafeteria again this year and is powered by Nutrislice. Menus and ordering information can be found on our website;

<https://kwe.hrce.ca/kwe/parents/school-cafeteria>

- All online orders must be **placed before 8am** in order for students to receive a lunch for that day.
- All online orders must be **cancelled before 8am** in order to receive a refund.
- **Cash is now being accepted.** Cash orders must be placed as soon as the child enters the building.
- Our cafeteria is accepting orders for snacks again this year. Students can order these at the start of the day or come to the cafeteria at recess or lunch to order snacks only.
- If you have any questions or concerns, please contact our School Cafeteria directly at 902-832-9543. Our cafeteria staff work from 8:30am- 10:30am Monday to Friday (there is no voicemail).
